

Planning to leave Sweden after finishing your studies?

You need to notify the Swedish Tax Agency that you're leaving Sweden. The easiest way to do this is to use our e-service. Alternatively, you can fill in and submit the notification form "Moving Abroad" (SKV 7665b).

By informing us of your departure, you can protect your personal data and prevent identity fraud.

We hope you've enjoyed your stay!

E-service and further information:
skatteverket.se/studentchangeofaddress

Questions?

If you have any questions, please call the Swedish Tax Agency on 0771 567 567, or email us via our contact form: skatteverket.se/stallenfraga.
